

# CMPT 276 - AI Disclosure Form - Summer 2025

Why this survey? This disclosure form aims to *help us understand and reduce any potential risks* related to the use of AI tools in this course.

Please complete the survey **by yourself** and be **truthful**. *Using AI tools will not negatively affect your marks for the assignment/lab/etc.*

What do we mean by AI tools in this survey?

AI content generators refer to any tools that create any type of content, including (but not limited to):

- ChatGPT and all other large-scale language models;
- Stable Diffusion and other AI-based Image Generators;
- Code extensions for IDEs;
- Other tools that are capable of generating text, image, codes, or any other content for the course work. BUT, Grammarly and other grammar checkers are NOT included.

For more information on our policy, please refer to: <https://parsa-rajabi.github.io/CMPT-276/#/ai-policy>.

5. How do you feel about using AI content generators in relation to your personal standards of academic integrity for this submission? \*

	Completely Acceptable	Somewhat Acceptable	Neutral	Somewhat Unacceptable	Completely Unacceptable
In my personal standard of academic integrity, using AI content generators for this submission is...	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

6. Please explain your rating above regarding academic integrity of AI use for this submission. Why? (Write in 2-3 sentences) \*

This assignment I believe is acceptable for use of AI, at least for the tasks that I took on, because it was extremely valuable for coming up with ideas, especially for writing the descriptions of the GitHub issues. Many of the tasks that our group and I came up with in the WBS I wasn't exactly too certain about the steps that are required to complete the task and mark it as acceptable to

7. Did you use AI tools for this submission? \*

☒ Yes

☐ No

8. For this submission, how would you rate the relative contribution made by your versus AI? \*

10. Please explain your rating above about AI's impact on your learning for this submission. (Write in 2-3 sentences) \* 

I was able to learn about certain steps that were needed to complete certain issues, and with the confirmation of my group members that the tasks were assigned to that may have more experience in that field, it solidified my understanding of how to complete the tasks. It was able to set the skeleton structure of certain areas for me to learn from and expand on, which I found to have

11. List the name all the AI tools that you used for this submission \* 

ChatGPT

12. How confident were you in AI's responses that you received? \* 

- ☐ Confident
- ☒ Somewhat confident
- ☐ Neutral
- ☐ Somewhat not confident
- ☐ Not confident

13. How did you ensure the answer you received from the AI tool was correct? \* 

When prompting the AI tool, I gave it as much information as I could, and made sure to ask the AI to ask me any confirmation questions so the guesses made are as minimal as possible. I asked it to provide me with their step by step logic, or provide me with reasoning for certain areas where they needed to analyze or decide something, and with that explanation and my own logical thinking and decision making, I was able to combine the two and get the best result that is both accurate after

14. Did you at any point abandon using AI tools and seek other resources? Explain your answer.  
(optional) 

What made you abandon using the AI tool? Were you more successful using other resources? Input N/A if you have not used any

16. Please explain your ratings above, especially if you have AI tools for "other" types of work. \*

When I first had the open source code, I had to fully use AI to convert it from HTML/CSS to React/Tailwind. However, following that, I relied on myself to then use that code into something that is applicable and blends into my website the way that I want to.
